

# Why Family TLC?

We make lives better

*At Family TLC we truly believe Life Can Get Better,  
why not start with you?*

## Team Work

Family TLC mentors your development with the collaboration and encouragement of a diverse team. We value your unique contributions.

## Growth and Opportunity

1 year Family TLC training certification specifically for private practice. This on the job training focusing on personal and professional development, and ethical practice to ensure long term success.

Our mission is to Make Lives Better for our clients, team, professional colleagues and community. We achieve this through following our guiding principles MIRROR (as seen on the reverse side).

## Culture

## Equipped

Offering the flexibility of private practice without the burden of running a business and the solitude of going it alone. Plus the benefit of a marketing team and client services specialists.
